June 2011

## Chapter Tournament

This weekend - June 18<sup>th</sup> is our annual Chapter Musky Tournament. Registration information is on our website. This is a fun time and there are always some big fish caught. There will be a new location for the after tourney gathering and awards. We will be meeting at the Frohn Town Hall after the tourney – it is located on Roosevelt RD (County 8) about 5 miles east of Bemidji. If anyone is looking for a partner to fish the tourney – let Rory know and we will try and coordinate things for anyone who doesn't have a partner. Rory's phone number is 218-368-2688.

## Chapter Outings

We will be fishing together once a month again this year through November. Points will be awarded for attendance so just being there is worth points. The first Outing is our Chapter tourney – I have attached the info for the 2011 Outings.

## 2011 Replica

Check out the official rules for eligibility for the member's replica.

## “Adopt an Access”

We will be getting a schedule together at our gathering after the tourney for cleaning up public accesses instead of doing the ditch cleaning. We have decided to “adopt” the Northwoods and Plantaganette accesses. We will need to assign someone for each access throughout the open water season to make sure those accesses are kept clean. I suggest just throwing a garbage bag in your truck so you can pick up a few things before or after fishing. If we all pitch in every time we go fishing, it should be real easy to do, we will have very clean accesses, and we will get some good recognition.

## Legislation

The Governor vetoed the game and fish omnibus bill for the second straight year and again this year the Cass Lake spearing issue was in the bill. Pay attention here in the next few weeks – Rep. Persell has indicated that he is pushing for this issue to be included in a special session so it might still happen this year.

## Release Contest

Remember to complete your entries within 30 days to be valid.

## Chapter clothing

Any help selling some chapter clothing is greatly appreciated. We don't want to hold on to any inventory that we don't have to.

See you at the meeting!
