Sept. 2011

Regional Meeting

The Bemidji-Cass Lake Chapter of Muskies Inc. is hosting the Fall Regional Meeting of Muskies Inc. for Region 1. The meeting is on October 1st from 10-2 and there will be several out of the area Muskies Inc. representatives here for the meeting. You are all invited to attend and see what happens at the international level. We are trying to coordinate enough boats to take everyone out fishing after the meeting. If you can fish for a while after the meeting, please call Rory and let him know. 218-368-2688.

Roosevelt Lake

Most of you are aware that Roosevelt Lake on Hwy 6 by Outing was stocked late this summer as one of the 5 new musky waters. The Roosevelt Area Lakes Association is reaching out to Muskies Inc. groups to try and help develop a plan to protect the lake from aquatic invasive species. If anyone is interested in being a part of this, let me know and I can put you in touch with them. It is refreshing to see a lake association reaching out first instead of

lashing out to a group of transient fishermen. Congrats to them for at least taking a good first step!

Chapter Outings

We have 3 chapter outings remaining until we crown the 2011 Musky Hunter of the Year for our Chapter. Right now Rory is in the lead I believe (I'll double check that soon)! Next Outing is this Saturday – September 17 on Big Lake and fishing hours are from 12-6. October 16 outing is on Little Wolf from 10:30-6:30 and November 20 will be on Bemidji from 9-5.

Gil Hamm Chapter Challenge

Our chapter was represented at the Gil Hamm Chapter Challenge last month on Sabaskong Bay of LOTW. I heard that the fishing was slow but a lot of fun. Next year we are hoping to put together a full team (or two) and make a run at the Chapter Challenge. There is a poll right now on the Gil Hamm website

where you can vote on next year's location if you want to. Go to gilhamm.com to place your vote....the Bemidji area is being considered.

work for more people. You can email me with your comments or call Rory at 218-368-2688.

We need your help!

We want your feedback! When do you want the annual Christmas Party get together? Should we have it after the last Chapter Outing on Lake Bemidji on November 13th? Please let me know. Also we want your input about the nights we choose to have our monthly meetings. Attendance is pretty minimal so please let us know a night that would

See you at the meeting!
