Destination sporting goods/ guide Steve Nosbisch. January 18th @ Lazy Jacks, 7PM

This will be our first speaker meeting of 2018! With Destination Sporting Goods being "the new kid" on the block we can't wait to see what they have to say about their store and possible fishing leagues(muskies?) of 2018.

Steve Nosbisch will also be a center piece Thursday night. Steve has been living in Walker ,MN since 2010 and he might know a thing or two about Leech.

We hope to see you there!

Next speaker, Gary Bernard February 15th, Lazy Jacks.

Gary comes from the Bemidji area fisheries DNR. Gary has been behind a few of the goods things that we as esox anglers take advantage of on the water. Nice guy,full of info! never disappoints. Don't miss it!

Time to gear up for 2018! First speaker meeting is January 18th at Lazy Jacks 7pm. Our guest speaker will be members of Destination Sporting goods and from guide Steve Nosbisch.

Outing manager Lyle Lesetmoe and I will be putting up the 2018 outings schedule soon and I would like your feedback on lakes, times and dates. Some of you say more Saturdays, some say Sundays etc. What lakes do you like, or want to see added/ dropped?

Web Designer: Rob Yuretich, always will be web designer (for our chapter). Thanks Rob!

Those names above are the new and old guard of the chapter 46 officers for the year of 2018.

I hope the joking gets some laughs instead of raised noses in these cold dark days of winter. Lighten up would ya!

In all this group has a serious musky back ground and will have a good time setting the direction for the chapter as we continue further into 2018.

To Ethan Rogers,

Thank you for all the motivation, effort and work you put into the chapter as an elected official. The enthusiasm you provided definitely moved the chapter into the direction that was needed to be where we are today. We hope you haven't lost any of your lucky horseshoes (don't buy too many raffle tickets, we don't want to look like the chapter "rigged" the raffles.....which we never have).

To Brian Johnson,

Thank you for the willingness to drive long trips to the MMPA meetings to keep us informed on the "evil doers" of anti musky nuts. The info that you brought back was at times shocking. Thanks for keeping us in the loop!

Hopefully the waitresses at C.K. Dudley's have learned their lesson and won't bring you anymore raspberry aioli.
