Letter from our President

2018 is almost in the books. The club had a good financial year. Going into 2019, a few thoughts. How can we increase participation in our club outings? Some have suggested different lakes or day trips (Canada, Vermillion, Winnie, etc.)? Our guest speaker lineup, who do you want to see? Any other ideas you would like to see addressed? We have a new Governor, what changes could be coming? Zebra mussels now confirmed in Bemidji, what thoughts do you have? Finally, anyone interested in becoming an officer of this club, contact me. All officer jobs are voted on annually, this year's Xmas party/business meeting will be at Lazy Jacks December 29th, from 4:30 to 7:00. For those who want to participate, we will have a dirty Santa game (bring a gift to exchange, wrapped). The club will provide some hors d'oeuvres, so I will need a head count. Look forward to seeing you there, or hearing from you. -Chris Thury
