Letter from our President

12/29/18: Chapter 46 Xmas party. We will hold officer elections for 2019! All posts are up. We will have a short business meeting before. We will have a secret Santa exchange, with a twist, so if you would like to participate, please bring a wrapped unmarked gift (usually a bait you no longer use in decent condition). Please RSVP me if you're going to be able to make it so I can let Lazy Jacks know how it need to be staffed. My number is 612-590-9785

3/08/19: MN Musky Expo! Runs 3/08 thru 3/10 at Concordia College in St. Paul. We will have a booth once again. I can get you in for free, but there is a catch, help the chapter run our booth and sell raffle tickets for stuff we can use for the club.

The new officers will get together to put together the outing schedules and guest speaker lineup as well.

Gil Hamm for 2019 will return to LOW at Red Wing Lodge: August 21 thru 23!

The Bemidji/Cass Lake tournament will be June 15th, same time-same lakes!

I will provide updates from the MMPA on any legislation that effects our waters. There is trouble brewing over adding new lakes, AIS and restricting access to public waters. –Chris Thury
